**IT IS RECOMMENDED THAT YOUR BOARD:**

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to obtain the County of Los Angeles Board of Supervisors' (Board) approval to award this construction contract and authorize the Director of Public Works or her designee to execute the contract and establish the effective contract date following receipt of approved bonds and insurance filed by the contractor for this project. The Board approved the project and solicitation of bids on June 30, 2009.

The enclosure includes the project description, the call for bids and bid opening date, a tabulation of bids, and financial information. The certified record of receipt of bids and the original bid proposal are also enclosed for this project.

The recommended construction contract is necessary to execute a Board-directed and approved Department of Public Works (Public Works) project in support of operational missions. Your Board's approval of the recommended contract award and the subsequent execution of the contract will ensure the timely completion of the project.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). Awarding this contract will provide improved infrastructure to better serve the public and will enhance the quality of life in the affected communities.

### **FISCAL IMPACT/FINANCING**

The recommended contract amount of \$303,923 will have no impact to the County General Fund.

The enclosure includes the amount of the recommended contract as compared with the engineer's estimate, the other bids received, and more detailed fiscal and financial information.

Sufficient funds for this project are included in the First Supervisorial District's Road Construction Program in the Fiscal Year 2009-10 Road Fund Budget.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel. The recommended contract was solicited on an open competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the Chief Executive Officer's and your Board's requirements.

This contract contains terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: County of Los Angeles' (County) Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that; (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor was considered before making this recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

## **ENVIRONMENTAL DOCUMENTATION**

On July 21, 2009, Agenda Item 33, your Board found this project to be categorically exempt.

**CONTRACTING PROCESS**

The contract was solicited on an open competitive basis in accordance with the provisions of the State Public Contract Code.

The State Labor Code requires contractors to pay prevailing wage rates to all persons employed on public works construction contracts. These rates are determined by the Department of Industrial Relations and include contributions for fringe benefits such as vacations, pension funds, training, and health plans for each employee.

To further increase contractor awareness of contracting opportunities with Public Works, this project was listed on the County website for upcoming bids.

Public Works will review and approve the Faithful Performance and payment bonds filed by the contractor.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

This construction contract will result in improved public works infrastructure in the communities where the work is scheduled.

**CONCLUSION**
